

2022 Monroe County Fair Demolition Derby!

## GUT AND GO (PURE STOCK) CLASS

SATURDAY, July 2nd

Contact Kenny Terrell 812-821-8167

Facebook: Monroe County Demolition Derby: Bloomington, Indiana

***INSPECTION AND REGISTRATION WILL BE AT NORTH END OF ARENA located in the PITS, UNTIL 1 HOUR BEFORE SCHEDULED START OF EVENT. Inspection starts at 10:00 a.m. until 6:00 p.m. (NO LATE REGISTRATION OR INSPECTION). Parking for participants will enter Gate 1 of the fairgrounds.***

### **PARTICIPATION REGULATIONS**

1. The Monroe County Demolition Derby is promoted as an unusual spectator attraction. In the interest of safety and the promotion of family values events, anyone entering as a participant or spectator must obey ALL rules and regulations.
2. Inspection of cars starts at 10:00am and the cars must be on the fairgrounds and through inspection by 5:30pm. Drivers meeting at 6:30pm. This will be enforced and nonnegotiable.
2. Each driver must fill out an official entry and sign a liability release form before entering the pits for inspection. All drivers must supply their own cars. Only one entry per person per class. Men and women will run in same class. (No powderpuff)
3. All drivers must have a state issued identification card. Drivers less than 18 years of age must have a notarized release signed by legal parent/guardian.
4. **The Monroe County Demolition Derby Committee or their appointed representatives, reserve the right to approve or reject any entries, or vehicle.**
5. Each entry fee is \$40.00 and nonrefundable, even if your car does not pass inspection. Entry fee also includes one pit pass for driver.
6. **ONLY the cars and registered driver** can bring the car to inspection and must remain in car at all times. No additional persons allowed (drivers and officials only) in the inspection area while inspections are underway.
7. All drivers must attend the drivers meeting before the show starts.

8. You are responsible for your own safety. Building your cars to these rules alone, does not make demolition derbies safe. **These rules are to allow every car to have a fair chance to win.** You enter this demolition derby, (as in all motorsports) at your own risk, with the understanding that there is always a possibility of harm, injury, or death.

9. No cars permitted on track before their assigned event. Succeeding heat is to be lined up outside fenced area while preceding heat is on the track.

10. Cars may be re-inspected at any time and/or as many times as **The Monroe County Demolition Derby Committee** decides if necessary. *Heat, consi, and top 4 feature winners will be re-inspected.*

11. **The Monroe County Demolition Derby Committee** reserves the right to assign heats.

12. **The Monroe County Fairgrounds is a NO ALCOHOL property.** Anyone in possession of alcoholic beverages shall be removed from the Fairgrounds, with no refund of entry fees.

13. Officials and tech inspectors have final decision in all rules. If your car is flagged after inspection, your car is still open to inspection any time before, during, or after the derby.

14. Just because it is not listed in these rules, doesn't make it legal! **Anything determined to be unsafe, reinforcement, or creates an unfair advantage WILL be considered illegal.**

15. **All participants will operate their vehicles in a safe manner outside the arena! You will not operate vehicle over the speed of a fast walk in the pit area or anywhere on the fairgrounds, other than inside the perimeter of the derby arena. We have families moving from the parking area to the grandstands along with many volunteers and staff moving throughout all areas outside the arena. This will be strictly enforced!**

16. Helmets stay on the entire time in car. Only get out of car if told ok to do so. Drivers must make an aggressive hit every 60 seconds.

**RULES AND REGULATIONS** No trucks, vans, ambulances, jeeps, carry all, limousines, hearse, 4wheel drives, checker cabs, propane cars, 73 or older Chrysler imperials. No Chrysler bodies on imperial frames. There is to be no mix matching of frames or motor and transmission. Ford/Ford. GM/GM. Dodge/Dodge.

**Any American made or foreign-made two-wheel-drive car (front or rear wheel drive) will be allowed.**

## **NO AMERICAN FLAGS ON THE TRACK DURING COMPETITION!!!**

### **ANY WELDING WILL FORFEIT YOUR CAR FROM THIS CLASS**

#### **RULES:**

1. Safety belts, approved helmets, goggles or face shields are mandatory. Approved safety glasses are also allowed.
2. All glass, trim moldings **and plastic bumper covers must be removed** before entering the fairgrounds. Auto must be swept clean of all debris and loose parts. No mirrors are allowed. (Dash is not required to be removed)
3. **Engine & Transmission** stock sized motors only. No built motors. Drive train must be GM/GM or Ford/Ford, Dodge/Dodge, etc.
4. ORIGINAL GAS TANKS MUST BE REMOVED. Original gas tanks may be relocated in back seat area or approved gas tank, such as marine type, is to be mounted in back seat area with secure metal fasteners. Must have # 9 wire or metal strapping around factory tank to floor board, **No ratchet straps!** ALL LINES MUST HAVE LEAKPROOF CONNECTIONS (such as fittings or clamps). Taped connections are not allowed. Gasoline approved rubber lines allowed, if new or of good quality. Otherwise metal lines with 12 inches maximum rubber hose connections. Electric fuel pumps are allowed but must have a shut off switch mounted to the dash, three gallons of fuel max. All carburetors must have cover to suppress backfire flames.
5. **Body** is to remain stock (O.E.M.) and remain in stock mounts and locations. **If mount is missing, 2 strands of #9 wire can be around body to frame in the mount location. Any replacements will change the class of cars you run in or disqualify from running.** You can pre bend rear body to help start the rear to go up, NO creasing or tucking the trunk or quarter panels. Driver's door may be plated (**BOLTED ON ONLY**) with a minimum of 1/4" plate steel not to extend more than six inches past door seam (safety purpose only). Plate must be attached with at least 4 bolts. Other doors may be wired shut with maximum of two strands in two locations of #9 wire per seam. Trailer hitch assemblies must be completely removed. Fire walls must remain intact with holes patched with thin sheet metal. Wheel wells may be cut to allow for tire clearance but NO bolting or welding. **Cannot weld washers to body to run #9 wire threw.** You may NOT weld any plates to the front or rear of the frame in this class. **NO WELDING ALLOWED!**
6. **Body Seams** cannot be screwed, bolted, or welded. #9 wire only. **NO WELDING ALLOWED!**

**7. Frame** body bolts and mounts must be factory you may NOT change them or replace the body mounts. Additional body mounts may **NOT** be added anywhere. **Shorting the frames on Mercury's and Lincoln's 1" in front of Core support. Anything cutoff the frame cannot be added back. NO frame patches NO WELDING ALLOWED!**

**8. Bumpers** OEM bumpers, Any Welds add to the bumpers will disqualify it. When mounting bumper nothing can go back 2" past the front of frame, 4x4 plate on the end of the frame rail nothing else added **OR {NOT BOTH}** 2"x2" angle on 2 sides of the frame rail for mounting bumper. Bumper must still be Bolted to mounts. Bumpers must be bolted on with no bigger than ½ inch bolts or all thread. Bumpers may not exceed 22" from the ground to the bottom of the bumper. **If running Factory Bumper shocks and factory mounting. You may weld ½ way around the bumper shock (if adding a plate or angle for bumper mounting this is not allowed)**

**9. Rearend** stock rear ends ONLY. NO gear changes. You may weld your rear end gears. You MUST have a stock rear end in your car NO exceptions will be allowed. MUST be make for make. NO slider drive shaft or custom shafts will be allowed **This is the only welding allowed (and it is optional).**

**10. Radiators** must remain in stock positions and mounts (tilting allowed). **No spray foam mounting of any component.** No part of any cooling system allowed behind fire wall.

**11. Hood and deck lid** must remain operable for initial inspection. Car must have hood at all times. HOODS MUST HAVE TWO 12"x12" HOLES CUT ON EACH OF CARBURETOR FOR FIRE CREW ACCESS. Hoods and trunks are allowed a maximum of six hold downs each using #9 wire only. Maximum of six strands of #9 wire only are allowed from core support to front bumper. Six strands allowed on rear bumper BUT MUST NOT ATTACH TO TAILGATES/TRUNK LIDS. Trunk lids can be bent 90 Deg into the trunk, the part of the trunk lid in the trunk cannot be attached to anything and must have a 12inch x 12-inch hole to see that it's not attached.

**12. Suspension and steering** MUST be OEM to that vehicle. **No Swapping spindles or arms from other years.** OEM rear end and drive line only. Suspension must remain free with a minimum of 4" free travel. **NO KICKING FRONT SPRINGS**, spring jacks, blocked shocks, wedging, reversing shackles not allowed. Air shocks must have air lines cut. Shocks and suspension must NOT be altered in any way. NO increasing the height of vehicle from its

factory height. Bumpers minimum height 14", maximum height is 22" from ground to bottom of bumper.

**13. Batteries** must be relocated to front passenger area with **SECURE** mounts and non-flammable cover. Bungee or tarp straps are not allowed.

**14.** Cars must have brakes during inspection.

**15. Floating cage:** optional 4-point floating cage. Cage bars can be up to 4" x 4" square tube, Side bars only can be 2" x 6" as an option. No down legs or kickers of any kind. Roll over bar can be up and over but must be 2 inches above roof and not attached in any way. Roll over bar cannot be bolted or welded to roof. 60" max door bar length, Rear seat bar must be 4" in front of rear seat bottom. You can weld cage to door post and steering column to secure cage. Side bars must be bolted through doors in 2 places.

**16. Any exhaust pipes** penetrating the hood must point upwards, not toward front, sides, or driver.

**17. No white cars allowed.** Driver's door ONLY, **MUST** be white left **BLANK**. Cars must have BOLD 18" numbers on each side of car and **Mandatory Roof sign with BOLD 18" numbers**. No obscenities allowed on car.

**18. D.O.T. type tires only.** Rims may have small weld in centers, NO bead protectors. Fenders may be trimmed for tire clearance. **No bolting fenders.**

**19.** All cars must have a vertical safety bar in windshield area (to keep hood from entering driver's area).

**20.** Must use Factory Steering column. After market shifters are ok.

**21.** All decisions by officials shall be final. **NO APPEALS!**

**22.** Only drivers participating on the track are allowed to remain on track at conclusion of that heat, consi, or feature.

**23.** Drivers may use front end of car to hit with.

**24. Cutting torches or welders** in pit area must have fire suppression of some type, e.g. fire extinguisher, pressurized water, sand, etc.

**25.** Do not read between the lines or look for gray areas in these rules. These rules tell you what you can do and everything else is illegal. **IF IT IS NOT CLEARLY ADDRESSED IN THESE RULES, IT IS NOT ALLOWED!**

### **DISQUALIFICATIONS**

A. Intentionally hitting an opponent's driver's door.

B. Blatant team driving will result in all those avoiding hits or holding cars while others are hitting, will result in disqualification. This will be a judgment call by officials and all rulings of officials shall be final.

C. Intentionally hitting a car stuck on logs or on dirt boundary. This is considered a serious matter for the safety of the crowd and volunteers.

D. Winners of heats and consi must be re-inspected at east end of arena before going to pits, if you do not stop for re-inspection before exiting the arena, you will be disqualified.

E. Intentionally pushing another car out of arena through entrance or exit or holding them from re-entering.

**F. Disobeying, arguing, or use of profanity to any official or volunteer may constitute dismissal for the entire event and grounds for expulsion from the Fairgrounds and consideration for permanent barring from further competitions at the Monroe County Fairgrounds.**

G. Spilling fuel or catching fire (exhaust fire or carburetor fire that is immediately withdrawn on its own excluded).

H. Flagmen may disqualify any vehicle, which in his/her opinion constitutes a reasonable safety hazard to the driver, other competitors, or spectators.

I. The derby will be composed of one feature. Feature demolition event will be comprised of winners and placings of top 3 of each heat. This is liable to change based on car count. This will be decided during the drivers meeting.
